

HEXAGONAL THINKING FOR THEMES IN THE CCEA IDENTITY POETRY ANTHOLOGY

Directions: In each of the six outer hexagons, select a poem which works with the theme in the central hexagon. Make sure each poem links logically with the neighbouring hexagons. For each poem, add bullet points and quotes to help to connect the poem to the theme. (Note: you may not be able to find six poems for each theme ... just try your best).

Childhood
